

SAFETY MATTERS

President's Message

It is hard to believe another fiscal year is over. As we close the chapter on another wonderful year, I am confident next year will be just as exciting. I want to say, "Thank You" to all our sponsors that helped support us to ensure our success. There are too many to mention, but without each of you, we would not be able reach the successes we have had.

Next year, Cody Vinyard will be taking over the reigns as ASSP Chapter President. Cody has been involved with ASSE for many years and I know he will bring a tremendous amount of knowledge to continue our growth and to ensure each of you continue in your successes.

I would like to say a special "Thank You" to our executive committee. Each of you have been fantastic to work with. No one sees all the planning, scheduling and challenging work that each of you put into our activities, but it is very much appreciated!

We hope to see you at our June meeting as we announce your new 2018-2019 executive committee and close out the year. We hope to see you soon. Be sure to check out our website at, okc.asse.org to catch up with our activities and events.

Have a safe day!
Paul Turner

June OKC Chapter Member Meeting

Date: June 14, 2018

Time: 11:30—1:00

Location: Moore Norman Technology Center
13301 South Penn
Rooms A & B

Speaker: Ashley Stuart, Mrs. Oklahoma 2018

Topic: Why Distracted Driving?
My story, My cause, My passion

Ashley tragically lost three friends to preventable automobile accidents, all due to distracted driving. Because of these experiences, Ashley became an advocate against distracted driving, speaking to many groups about the dangers of distracted driving and ways to combat it. As Mrs. Oklahoma, Ashley will continue her efforts by working with different organizations across the state to help make our roads safer to travel on.

Take control of your chapter! Have a say and let your voice be heard!! Please take time to cast your vote for the 2018/2019 chapter officers. If you are interested in getting involved let one of the current officers know.
