The Heart of ASSP: Celebrating Our Volunteers

As part of the ASSP Board Connection Series, "The Heart of ASSP: Celebrating Our Volunteers" will provide another opportunity for you to engage virtually with your elected Society leaders.

Our 30-minute gathering during National Volunteer Week will focus on how volunteers have greatly impacted our lives. Join us for this timely conversation to share an inspiring story and give thanks to a dedicated volunteer while learning about new ways in which you can contribute to our world-class organization.

Date: Tuesday, April 20, 2021

Time: 11:00 a.m. Central Time

Location: via Zoom

We are proud to introduce Eldeen Pozniack as our April guest speaker. She comes to us holding a variety of global health and safety related designations and certifications such as the Canadian Registered Safety Professional (CRSP), being a Fellow of the International Institute of Risk and Safety Management (FIIRSM) and a Chartered Member of the Institute of Occupational Safety and Health in the UK (CMIOSH).

Eldeen is committed to a Safer World of Work, having worked in 21 different countries across 5 of the 7 continents. Her commitment is demonstrated by her 25 plus years of experience and involvement as an advisor and consultant to various industry sectors, government organizations, and businesses, and as lecturer at educational institutions. She has a mining background – having worked in both soft and hard rock mines – underground and surface concepts. It is also shown through her involvement and volunteer positions in safety and health related associations. Eldeen is the Past President of the Canadian Society of Safety Engineering (CSSE) and the past president of the International Network of Safety and Health Professional Organizations (INSHPO), and is the current standards practice chair of the International Practice Specialty of the American Society of Safety Professionals (ASSP)
